Dear Harbour Records Customer,

Thank you for taking the time to request a copy of our stock list. In troubling times as a small Record Shop, we really are dependant on your actions right now in supporting us and other small traders. We have never had an on-line presence, our unique selling point is our location and being able to welcome you into our little shop in Emsworth as you enjoy the other local shops and the beautiful Harbour and it's walks. From a standing start therefore we have had to create a catalogue of our stock and we are also now on Discogs

Therefore we beg your indulgence, we may not have got our catalogue exactly right but take a while to peruse it and if you have any questions, we'd be only too happy to answer any specific questions about individual stock items. **Please feel free to call or message us on Facebook. #supportyourlocalrecordshop**

Thank you,  
Ken , Rob and Dickie

# New & Reissued Vinyl

Dear Harbour Records Customer,

Thank you for taking the time to request a copy of our stock list. In troubling times as a small Record Shop, we really are dependant on your actions right now in supporting us and other small traders. We have never had an on-line presence, our unique selling point is our location and being able to welcome you into our little shop in Emsworth as you enjoy the other local shops and the beautiful Harbour and it's walks. From a standing start therefore we have had to create a catalogue of our stock and we are also now on Discogs

Therefore we beg your indulgence, we may not have got our catalogue exactly right but take a while to peruse it and if you have any questions, we'd be only too happy to answer any specific questions about individual stock items. **Please feel free to call or message us on Facebook. #supportyourlocalrecordshop**

Thank you,  
Ken , Rob and Dickie
